

SOLAR STAR LIGHT - ST3

Come from nature ,Light up the future

• LUMEN: 10000LM to 15000LM

www.socreat.com

Product Advantage

Professional light distribution design

Equipped with patented lens to make the irradiation area more uniform.

Rotating angle design

The illumination area and angle of light can be adjusted reasonably according to the width of the road.

Intelligent high-efficiency lamp chips

280pcs of 3030 lamp chips, optimized brightness, the whole lighting effeciency is greater than 160lm/w.

Patented appearance

Integrated design of solar panel, microcomputer controller, lithium battery and high-efficiency LED light source.

Modular design

Modular design of battery and LED chip, transportation, installation and maintenance are more economical and simple.

Indicator lights of battery capacity

Indicator lights of battery capacity display the power of the lamp obviously, which is convenient to observe the charging and discharging of the lamp.

Intelligent charge and discharge management

Double protection of charging and discharging by software and hardware, and intelligent equalization technology, cycle charging and discharging more than 2000 times.

The fourth generation of intelligent power control

Upgraded intelligent power control function to regulater reasonable discharge power according to intelligent judgment of recent weather conditions, support longer lighting time and more rainy days.

Proprietary control system

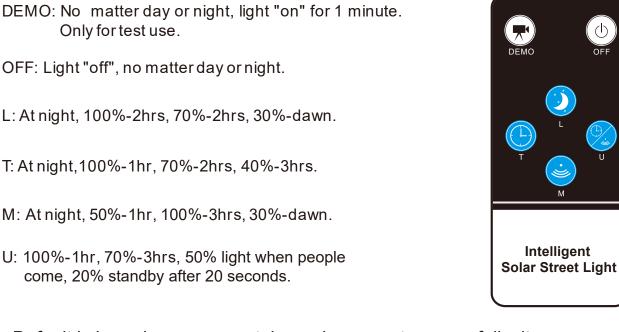

Road Smart self-developed solar controller can adjust different working modes freely, unique control system with more functions, stability is more stronger; Option of microwave induction function to save power and have longer lighting time.

Remote Control

6 working modes

.

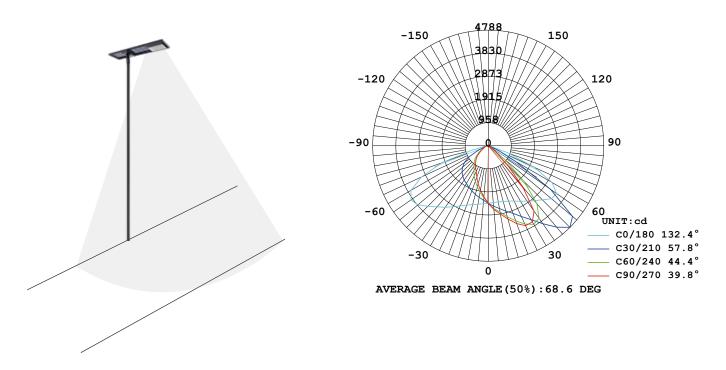

(h)

Note: Default is L mode, once a certain mode was set successfully, it will be reserved until you change other modes with remote control.

Light Distribution

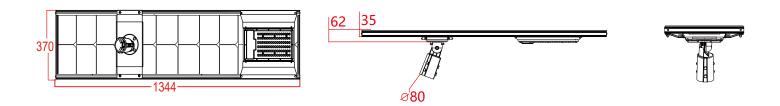

Luminous intensity distribution curves.

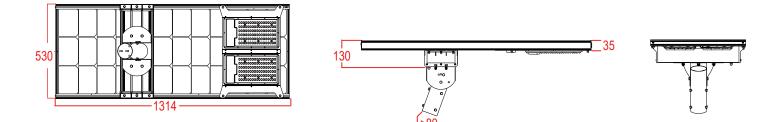

(h)

Intelligent

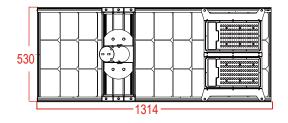

ST3-60

ST3-80

ST3-100

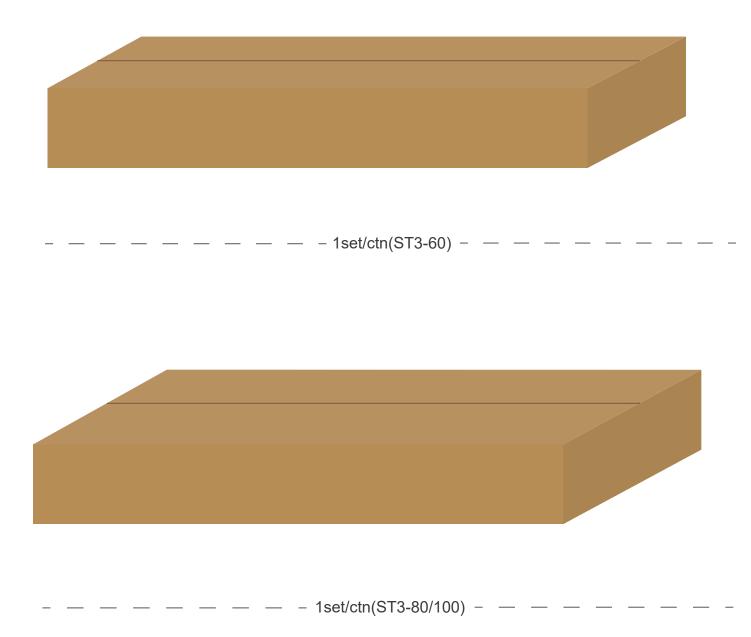

Туре	ST3-60	ST3-80	ST3 -100			
Lamp head						
LED chip	140pcs	280pcs	280pcs			
Luminous flux	10000lm	13000lm	15000lm			
Beam angle	160°*60°					
Lifespan	50000hrs					
IP Rating	IP65					
Working temperature	-20°C~60°C (Charge above 0°C)					
Color temperature	3000-7500K					
CRI	Ra≥70					
SOLAR PANEL						
Power	80W+16W	110W+22W	110W+22W			
Voltage	18V					
Solar cell efficiency	19%-22%					
Material	Monocrystalline silicon					
BATTERY						
Capacity	512WH/160AH	640WH/200AH	768WH/240AH			
Lighting time(full charged)	5-7 rainy days					
Lithium battery	LiFePO4					
INSTALLATION						
Top diameter of pole	76 mm					
Mounting height	7-8M	9-10M	8-10M			
Installation spacing	20-40M					

Туре		Qty/ctn	Box Size(L*W*H)	Gross Weight
